Subject: RE: Accounting

Attached are the bank statements for the months and accounts requested.

My bank reconciliations are done daily so those are going to take some time to pull apart and scan over. They are also stored in Tekion under the bank reconciliation tile, I can walk someone through how to pull them up if you'd like. If not please allow me some time to get these to you as I have daily tasks to complete as well.

1. Schedule of lien payoffs for the period. [This will be sent shortly.](#)
2. Schedule of floorplan payoffs for the period. [This will be sent shortly.](#)
3. Disbursement journal for the period and invoices. [Please elaborate on this for me please. Do you mean checks?](#)
4. Payroll disbursements for the period of november thru march. [This will be sent shortly.](#)

Thank you

Good Morning Anthony, I apologize for not getting back to you yesterday. I've requested permission for your request and have not received it yet.

Although this task is not difficult it is going to take some time to complete when and if permission is given.

Thank you

Good Morning Alysia,

Following up on this request below. When can we expect to start receiving this information?

Good afternoon Alysia,

In my attempt to gain a better understanding of accounting ever since I came on board with Superb on Nov 12 2022, I would like some information.

I am requesting the Bank statements and reconciliations for the months of Nov 2022, Dec 2022, Jan 2023, and Feb 2023 for the accounts listed below. You should already have these, so it shouldn't be a problem obtaining them.

1. Chase ending #5518
2. Chase ending # 5399
3. Chase ending # 3157
4. Chase ending # 1882

Also, can you pls send us the following:

1. Schedule of lien payoffs for the period.
2. Schedule of floorplan payoffs for the period.
3. Disbursement journal for the period and invoices.
4. Payroll disbursements for the period of november thru march.

To aid with this research, I have included Thomas Jones and Harry Thomasson in this email. They are part of my forensic team.

I thank you for your cooperation in this matter.
